Empathy Map Canvas - Persona: Devotee Planning a Temple Visit

Canvas Detail:

THINK & FEEL - Worried about missing the darshan slot on festival days - Anxious about long queues, crowd, and heat while waiting - Hopes for a calm, spiritual experience without last-minute stress	SEE - Long physical queues and manual crowd management at temples - Other devotees using mobile apps to check slot availability - Conflicting information across temple websites and social media

SAY & DO • Asks friends and family for the best time to visit • Searches online for ticket booking links close to the visit date • Complains when the booking app is slow or confusing	HEAR • Hears from other devotees that slots sell out within minutes • Temple announcements about pooja and seva timings • Recommendations and warnings shared in community WhatsApp groups
PAIN • Fear of travelling long distance and still not getting darshan • Unclear cancellation and refund process • Language barriers in booking apps for non-local devotees	GAIN • Convenient, time-saving online booking from home • Ability to choose preferred pooja type and time slot • Peace of mind from a confirmed, verifiable e-ticket
